Your visit to the Hearing Department

1

Check in at our reception desk, or knock on the door and let us know you are here.
Have a seat, we'll call you soon.

2

We'll go into one of our special rooms and talk about your ears.

3

We will either play a game, or you will press a button every time you hear a noise.

4

To play the game, you'll put some headphones on first.
We might use a headband too.

5

We will use this special torch to look inside your ears.

6

We might also need to use this machine to tickle your ear.

We will talk a bit more, then you can go home.
